Espionage Warning

OGC Has Reviewed

1. The following statement, forwarded pursuant to your oral request, should constitute a sufficient espionage warning for publication on the inside cover of classified intelligence issuances:

WARNING

This document contains information affecting the national defense of the United States, within the meaning of Title 18, Sections 793 and 794, of the U. S. Code, as amended. Its transmission or revelation of its contents to or receipt by an unauthorized person is prohibited by law.

2. The words, "as amended," are adequate to cover changes made by the Internal Security Act of 1950. (Another provision of this Act prohibits unauthorized disclosure of information which has been classified by the head of an agency with the approval of the President, but it is our understanding that you have no desire to classify the ordinary issuance in this manner).
